

The Test of Good Teeth.

Your teeth may seem perfect to outward appearance and yet not be free from damaging acids and germs created by decaying bits of food which lodge between the teeth. To guarantee perfect teeth use an antiseptic tooth paste, such as

Penslar Tooth Paste.

It not only cleanses the teeth and keeps them white and polished, but it prevents the formation of tartar and destroys germs which cause decay.

U. S. Weather Bureau DAILY WEATHER FORECAST Office, Dean & Day Bldg. Phone 75

Forecast until 7 p. m. Sunday—Unsettled weather tonight and Sunday. Weather Conditions.

A disturbance of fresh energy occupies the Southwest and from this distribution of atmospheric pressure generally unsettled weather has resulted over the entire country except for the Far Northwest, where it is fair and cold.

The following heavy rains were reported from Texas stations: Amarillo, 1.18 inches; Clarendon, 2.10 inches; Spur, 2.25 inches; Quanah, 2 inches.

Local rains also occurred in the cotton belt east of the Mississippi river, along the Middle and North Atlantic seaboard and in the Ohio valley.

Freezing temperatures prevailed at Durango, Colo., last night.

M'KNIGHT WON SCHEDULE FIGHT

Secured Schedule on Bottom Road
That Will Benefit Trade Interests of Bryan.

The Commercial Club, through Secretary McKnight, has been working for some time to secure a schedule on the bottom road that would give the bottom people an opportunity to come to town and have plenty of time to do their trading before returning home in the afternoon. The fight has been won as shown by the following letter:

"Houston, Oct. 13, 1915.

"Mr. H. L. McKnight, Secretary Bryan Commercial Club, Bryan, Texas.

"Dear Sir—Replying to your favor of the 11th, to Mr. Scott, beg to advise that effective October 17, 1915, the Bryan & Central Texas Inter-

ban train will be operated as follows:

"Leave Bryan at 6:20 a. m.; arrive at Whittaker at 8:04 a. m.

"Leave Whittaker at 8:04 a. m.; arrive at Bryan at 9:51 a. m.

"Leave Bryan at 2:30 p. m.; arrive at Whittaker at 4:36 p. m.

"Leave Whittaker at 4:36 p. m.; arrive at Bryan at 6:20 p. m.

"This will give people living in the Bryan bottom approximately two hours at Bryan. After the crops are moved the service will probably be reduced to mixed train each way, per day, which will be scheduled to leave Whittaker early in the morning, returning leave Bryan about 4 o'clock in the afternoon, and while this service will probably not be as satisfactory as the double daily service, it will enable the people to spend more time in Bryan. Yours truly,

"G. B. WAID."

Mrs. E. H. Cain of Brandon returned to her home today, after a pleasant visit to her sister, Mrs. Frank McGee.
